EXPERIENCE

DIDA PUBLICIDAD

Full- Stack Web Developer and others, 2017-present

- I started my own advertising business where I could practice my previously learned skills such as web design, web development, web app application development using Ruby on Rails, social media management, and graphic design.
- During this time, I have worked on many projects related to marketing, video production, web development, and video editing.

PADI OPEN WATER INSTRUCTOR

Cozumel Marine World, Part-Time, 2017-2020

- I gave diving courses to mostly foreign people, from beginners to advanced.
- I was able to work in this company only during vacation periods.
- I guided groups of divers through the reefs of Cozumel, always seeking their well-being and experience.

MICROVERSE | REMOTE

Mentor (Volunteer) Part-Time, 2019-2020

- Mentored junior web developers, providing technical support through code reviews for their web applications mostly developed in MVC Frameworks like Ruby on Rails and React JS.
- Provided advice and tips on how to maintain motivation to maintain longevity in the program.
- Proposed improvements to code organization to improve code quality and overall performance.

EDUCATION

MICROVERSE | REMOTE

Full Stack Web Development Program, Full Time 2019-2020

- Spent 1300+ hours mastering algorithms, data structures, and full-stack development while simultaneously developing projects with , HTML, CSS3 Ruby, Rails, and JavaScript.
- Developed skills in remote pair-programming using GitHub, industry-standard git-flow, and daily stand-ups to communicate and collaborate with international remote developers.

NATIONAL AUTONOMOUS UNIVERSITY OF MEXICO (UNAM)
